Take this fantastic opportunity to sail across the North Sea where you will arrive at the wonderful port of Ostende in Belgium, you will find all the delicious local sea food and fine wines in abundance.

Next day we sail along the coast to Zeebrugge to purchase fabulous local cheese and wine to consume on board.

We complete the voyage returning to Ramsgate / Ipswich?? Where, traditional ales are available to be consumed in the old cinque port, steeped in history, in time for good old 'fish and chips'.
