Freston Cruise – 90 minutes from Ipswich Waterfront

For June July and August, each Wednesday and Saturday, we are offering 90 minute boat trips on our fabulous 27 ft RIB Eye Sport (Rigid Inflatable Boat) which takes up to 11 passengers.

You will see the Ipswich Waterfront, Ipswich Docks landmark trust building of Freston Tower whilst cruising under the Orwell Bridge before returning to the marina.

On board your host will provide you with lots of historical information and be available to answer any questions on the river you may have.
